

Job Description

SUMMARY: The Director of Worship Ministries will work closely with the Senior Pastor in organizing, leading, and developing the corporate worship and various worship ministries of Harvest Bible Chapel Cambridge.

QUALIFICATIONS: He must be spiritually mature, humble, trustworthy, flexible, and detail-oriented. In addition, he must possess ample musical abilities and leadership competencies to lead worship, build teams, teach skills, and shepherd people. A Bachelor's degree is required.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Weekend Worship Services:

- Identify, recruit, and develop leaders, musicians, and vocalists for weekend worship teams
- Draft worship schedules and set-lists for all services and special events
- Oversee and direct worship team practices
- Organize and facilitate training sessions and seminars for the growth of worship team members
- Research, procure, and provide music and materials for worship teams
- Coordinate worship services with the Audio/Video team
- Lead and shepherd worship team members

Worship Ministry:

- Maintain church-wide compliance with music and video copyright laws and licensing
- Work with the Audio/Video team to ensure adequate equipment for all worship ministries
- Enhance and expand the repertoire of music and worship arrangements

IN GENERAL: This person will assist and report to the Senior Pastor in the fulfillment of the mission and vision of Harvest Bible Chapel Cambridge.

This job description is subject to review and revision as needed.

COMPENSATION: A competitive salary and benefits package commensurate with experience will be provided. This is a full-time position.
